

Form for Resident Comments Concerning Drainage

Dear Resident:

The Roads and Bridges Committee has provided this form for your use to obtain positive and negative feedback. In order that your comments can be efficiently addressed, please fill the form out as completely as possible and submit to the Village Clerk clerk@barringtonhills-il.gov or regular mail. It would also be helpful if you could attach photos. Note that the Village addresses drainage along Village roads, but not along private roads. Each year work is generally done in late fall, unless it is done as part of resurfacing project. New projects are added to the Village work list as necessary, and are handled in order of severity, as the budget allows.

Date Submitted: _____
